Leaving Inmates Money at Allegheny Regional Jail

Inmates incarcerated at Allegheny Regional Jail can receive money on their inmate account in several different ways:

Lobby Kiosk: There is a kiosk in the lobby of Allegheny Regional Jail. It is accessible 24 hours a day, seven days a week. The kiosk only accepts cash (no coin) or debit/credit card. It will require identifying information to leave money, which includes name, address, etc., and there is a fee.

Website: You can also leave money 24 hours a day, seven days a week, through the website <https://www.accesscorrections.com/>. You will need to set up an account that will also include identifying information. There is a fee for this service as well.

Telephone: Money can be left 24 hours a day, seven days a week by calling **1-866-345-1884**. Again, you will need identifying information and there is a fee for this service.

If an individual was just brought into this facility by law enforcement or from court, please allow at least one hour for the individual to be booked into our facility before attempting to leave money. This process could potentially take longer than one hour, depending on how busy it is in intake. Their information will not be active until the booking process is fully complete.
